Closed Loop
Media

Description

Closed loop media is practical, easily carried, and offers unlimited possibilities. They're fun too. Print your brand's mark or tagline on versatile MIFARE cards or MIFARE stickers.

Your logo and brand message are an integral part of your brand identity, so choose the exact shape and color of your MIFARE media. CPI provides you with a wide selection of personalizable, closed site media. Your choices range from standard tags and cards to high-end media in leather.

Benefits

Custom colors and designs. Brand your media with an endless choice of colors and labels

Simple setup for operators. Test vends and AutoConfig initialization for an easy setup

Unattended, not overlooked. Employ telemetry to easily transfer restocking info to your database

Manage your machines efficiently. Transfer blocked list and display text to easily manage the field base
